About the Author

Kathryn is always seeking new challenges and has had a wide and varied career before writing her first novel. After gaining a BA Honours Degree in Media Arts with English Literature, she worked in human resources and management training. But it wasn't long before her passion for literature led her to train as a teacher and study for a Post Graduate Certificate in Education. She then spent six years teaching secondary school English; a job she believes was invaluable to her writing career. Kathryn now devotes all her time to writing and is currently working on her third novel. Having always been an avid reader, Kathryn believes in the power of words to entertain, teach and transform lives. Now that she has achieved the dream she has held onto since childhood - to write a full-length novel - her new goal is to be as successful as the bestselling authors she admires. She firmly believes anything is possible if you work hard enough and never give up! Kathryn lives in Guildford, Surrey with her husband and two cats, Aphrodite and Isis.
