### Golden Stair (Blood Prince Series Book 3) By Jennifer Blackstream

A demon is caught between desire and honor in this scorching novel from Jennifer Blackstream's *USA Today* bestselling Blood Prince series.

\* *Can be read as a standalone.*

#### A WICKEDLY SEDUCTIVE DEMON

Bound by a divine vow, the demon prince Adonis is forbidden from seeking the one thing he wants most--true love. Resigned to his fate, he hides his pain behind a cryptic smile and a puff of smoke, carrying on with his carnal pursuits of the flesh as his heart dies a little more with every passing lover. Then he meets a woman with the power to save him--but it will cost her her life.

#### IF SHE LEAVES, SHE CAN NEVER GO HOME AGAIN

Ivy has lived alone with her mother, locked away from the rest of the world, for her entire life. When a devastatingly handsome demon brings her isolation to a sudden and dramatic end, it takes only one searing kiss to shatter Ivy's world. Now she's desperate to see what else is out there, to have a life beyond the tiny existence she's led so far. But if she leaves, there will be no going home. And the demon is clear about what he can offer her...and what he can't.

#### BODY AND SOUL

An evil witch does not willingly give up the power she's spent a lifetime building, and Ivy's mother is ready to do whatever it takes to keep her daughter home. Despite the danger, Adonis and Ivy are drawn together like phoenixes to flame--and if they're not careful, they'll both burn.

## **Editorial Review**

Review

*"A story of broken dreams and hard-to-keep promises full of sexual energy tempered with true love."*

*"Adonis and Ivy was such a seeming mismatch at the start but the author wove an excellent story with an innocent girl and a hedonistic prince without it being turned into an erotic tale of sex. This is more of a story of self control for a much greater prize. I loved it and I believe almost all readers will also since all of these stories seem to be a basic tale of a good woman making a bad boy into a honorable man to some extent."*

*"I love that instead of being weak and in need of saving, the heroine was the strongest character in the end. Girl Power!"*
