Jules Verne Collected Novels By Jules Verne

This superb volume of classic science fiction and adventure represents the best of Jules Verne, the master of imaginative literature who has been called "The Father of Science Fiction". The stories in this volume are complete and unabridged-- the original novels as they were first published -- illustrated by hundreds of rare, exciting and atmospheric 19th century French engravings.

The books of Jules Verne created characters and formulated ideas which have stimulated and entertained countless readers since they first appeared. They have been the subject of films, radio dramatizations and have even been presented on ice! Read the originals now and one of the world's greatest ever story tellers will give you hours of pleasure and enjoyment.

Stories included are: *Around the World in 80 Days*, *The Clipper of the Clouds*, *Journey to the Centre of the Earth*, *From the Earth to the Moon* and *Twenty Thousand Leagues Under the Sea*. This volume makes an excellent gift for any reader, any lover of science fiction, or any collector of classic literature.
