The Nonprofit Almanac: The Essential Facts and Figures for Managers, Researchers, and Volunteers (Urban Institute Press) By Brice S. McKeever, Nathan E. Dietz, Saunji D. Fyffe

The Nonprofit Almanac, Ninth Edition, completely updated to include the most recent data available,

assembles into one compact and well-organized volume an accessible and reader-friendly bible of data on America's extraordinary and rapidly growing civic sector. In many cases, the data cover spans of ten years or more, allowing for a detailed retrospective look at trends in the sector. This edition, celebrating the twentieth anniversary of the Urban Institute's Center on Nonprofits and Philanthropy, traces the growth of nonprofits in the post-recession period, providing insights into which subsectors have not fully recovered from the recession and which flourished throughout the period. Other key results include the shifting of revenue streams for nonprofits, as well as post-recession trends in giving and volunteering. New to this edition is a series of analyses on nonprofit growth and finances at the metropolitan level. Building on the Center on Nonprofits and Philanthropy's two decades of experience in analyzing the size, scope, and performance of the nonprofit field, *The Nonprofit Almanac, Ninth Edition*, is an invaluable reference for managers of nonprofit organizations, foundations, and corporate social responsibility programs, as well as scholars, teachers, students, and journalists.

Editorial Review

Review

Previous edition praise: *The Nonprofit Almanac* fills a critical need by bringing together in one place essential and reliable data on the scope of the third sector. Moreover, the information is presented clearly and accessibly. Unlike other reference books that sit pristinely on the shelf, my copy of the previous edition is well worn and full of notes. (Lawrence T. McGill, Foundation Center)

Previous edition praise: A copy of *The Nonprofit Almanac* should be on the bookshelf—or, even better, at the right hand—of anyone seriously interested in civil society in the United States. (Harvey P. Dale, New York University)

About the Author

Brice S. McKeever is a research associate, **Nathan E. Dietz** is a senior research associate, and **Saunji D. Fyffe** is a research associate at Urban Institute.

Users Review

From reader reviews:

Nancy Baumgardner:

Do you have favorite book? Should you have, what is your favorite's book? E-book is very important thing for us to be aware of everything in the world. Each e-book has different aim or maybe goal; it means that e-book has different type. Some people feel enjoy to spend their a chance to read a book. They can be reading whatever they take because their hobby is actually reading a book. Consider the person who don't like looking at a book? Sometime, person feel need book after they found difficult problem or maybe exercise.
