When the Moon Comes By Paul Harbridge

In this atmospheric story, a group of kids play hockey on a frozen lake by moonlight. At once nostalgic and timely, this is a gorgeous book that will speak to readers young and old.

The beaver flood has finally frozen--perfect ice, without a bump or a ripple. For the kids in town, it's Christmas in November. They wait, impatiently, for the right moment.

Finally, it arrives: the full moon.

They huff and puff through logging trails, farms, back roads and tamarack swamps, the powdery snow soaking pant legs and boots, till they see it--their perfect ice, waiting.

And the game is on.

When the moon Comes is steeped in tradition and nostalgia: for hockey, for childhood, for a simpler time. The beauty of the text is matched by the brilliant, rich illustrations that wonderfully capture the magic of a moonlit night in winter.

MATT JAMES is a painter, illustrator and musician. His books have won many prestigious awards, including the Boston Globe-Horn Book Award, the Marilyn Baillie Picture Book Award, the New Mexico Book Award and the Governor General's Award. Matt lives in Toronto with his family.

Users Review

From reader reviews:

Danielle Rhodes:

Playing with family in a park, coming to see the water world or hanging out with friends is thing that usually you might have done when you have spare time, in that case why you don't try factor that really opposite from that. Just one activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love When the Moon Comes, you may enjoy both. It is fine combination right, you still want to miss it? What kind of hang-out type is it? Oh can occur its mind hangout people. What? Still don't get it, oh come on its identified as reading friends.

Lucinda Brown:

This When the Moon Comes is brand new way for you who has intense curiosity to look for some information given it relief your hunger info. Getting deeper you on it getting knowledge more you know otherwise you who still having tiny amount of digest in reading this When the Moon Comes can be the light food in your case because the information inside that book is easy to get by simply anyone. These books acquire itself in the form which can be reachable by anyone, yeah I mean in the e-book application form. People who think that in book form make them feel tired even dizzy this reserve is the answer. So there is no in reading a e-book especially this one. You can find actually looking for. It should be here for you. So , don't miss that! Just read this e-book style for your better life as well as knowledge.

Pablo Cook:

On this era which is the greater person or who has ability in doing something more are more treasured than other. Do you want to become one of it? It is just simple solution to have that. What you have to do is just spending your time little but quite enough to experience a look at some books. One of many books in the top collection in your reading list will be When the Moon Comes. This book which is qualified as The Hungry Slopes can get you closer in turning out to be precious person. By looking right up and review this guide you can get many advantages.

Alex Miller:

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this When the Moon Comes can make you experience more interested to read.
