That is, until he meets the one who makes him want to change his whole life.

A fake name and a world of hurt...

When Peck was twelve, she was called by a different name, lived with a different family, and had no prospects whatsoever. But now she finds herself the drummer in an all-girl band, makes more money than she ever dreamed possible, and she's content. Until the day her birth mother shows back up.

Fame. Fortune. Stardom.

Neither of them wants it.

They both have it. But can they have more?

\*\*\* Recommended for adult readers only due to adult situations, sexual content, and adult language.
