Bridges Burned (Going Down in Flames) By Chris Cannon

Since discovering she is a shape-shifting dragon, Bryn McKenna has seen her world thrown into chaos. Being a "crossbreed"—part Red dragon and part Blue—means Bryn will never fit in. Not with dragon society. Not with the archaic and controlling Directorate. And definitely not when she has striped hair and a not-so-popular affection for rule-breaking...

But sneaking around with her secret boyfriend, Zavien, gets a whole lot harder when he's betrothed to someone else. Someone who *isn't* a mixed breed and totally forbidden. And for an added complication, it turns out Bryn's former archnemesis Jaxon Westgate isn't *quite* the evil asshat she thought. Now she's caught between her desire to fit in and a need to set things on fire. Literally.

Because if Bryn can't adapt to the status quo...well, then maybe it's time for her to *change* it.

Editorial Review

Review

5 Stars: It's a hard thing for a sequel to surpass the original but in this case it did! WOW! I loved this book so much, I couldn't put it down, even as my tired eyes burned and blurred. -Emily

5 Stars: First of all, the cover of this book is gorgeous. I thought the cover of Going Down in Flames was amazing, but this cover is a serious eye catcher. I want to have a poster of it, honestly. To match the cover, the story inside blew me away. Bridges Burned starts off where Going Down in Flames ended. I had no idea what to expect in this book and what I got surprised the hell out of me. I missed Bryn's sassiness and thank god it was back tenfold in Bridges Burned. My heart literally ached for Bryn in this book. I am so attached to her and I shed a lot of tears because of the events in this book. -Ivey Byrd
