Read on your PC, Mac, smart phone, tablet or Kindle device.

Since time, man has walked this earth and has not hesitated to spill the blood of fellow mankind. While in some cases it was for God, power or country, in other instances men have committed the most brutal acts only to satisfy their own personal blood lust. They have shown no remorse, and only derive a sick pleasure from crossing the limits of morality and stepping into a place of death and darkness.

While there are many criminals and psychopaths who have garnered a lot of public attention, there were so many more that operated secretly and quickly, killing and spilling blood, pleasing themselves.

This book gives you the stories of some of these people, and how they managed to strike fear into the hearts of hundreds of locals. They worried the law enforcement authorities themselves, taunting them, confusing them and for years evading them.
