Every Little Step: My Story By Bobby Brown, Nick Chiles

NEW YORK TIMES BESTSELLER

In *Every Little Step*, Brown will for the first time tell the full story of his life and set the record straight, particularly about his relationship with Whitney Houston.

Bobby Brown has been one of the most compelling American artists of the past thirty years, a magnetic and talented figure who successfully crossed over many musical genres, including R&B and hip hop, as well as the mainstream. In the late 1980s, the former front man of New Edition had a wildly successful solo career—especially with the launch of *Don't Be Cruel*—garnering multiple hits on the Billboard top ten list, as well as several Grammy, American Music, and Soul Train awards. But Brown put his career on hold to be with the woman he loved—American music royalty Whitney Houston. The marriage between Brown and Houston was perhaps the most closely watched and talked about marriage of the 1990s—a pairing that obsessed the public and the gossip industry. Now, for the first time, the world will be able to hear the truth from the mouth of America's "bad boy" himself. Raw and powerful, *Every Little Step* is the story of a man who has been on the top of the mountain and in the depths of the valley and who is now finally ready to talk about his career and family life, from the passion and the excess to his creative inspirations and massive musical success.

On the process of writing this book, Bobby says, "Right after I signed on to write my story, I went through one of the most agonizing traumas I had ever experienced with the death of my daughter. But I was surprised by how therapeutic it was to work on this project, to look at the entire arc of my life and to realize that although there has been considerable pain, I have also been incredibly blessed. I hope my fans and other readers of this book will be entertained by this trip into the crazy, exciting, fascinating world of Bobby Brown. And I hope they will feel that I have been as honest and open with them in these pages as I have tried to be my entire life."

Editorial Review

From the Back Cover

The Real Bobby Brown BARES His Soul

I became famous with New Edition when I was just fourteen.

As a solo artist, I released an album that many have noted altered the course of R&B music.

I fell in love with the biggest music star on the planet. Our marriage kept more than a few gossip tabloids in business.

I am still trying to grapple with the incredible pain of losing my daughter.

Early on, I cemented my reputation as “the bad boy of R&B.” But now that label feels too one-dimensional.

I feel like I owe it to myself and the ones I love, and will always love, to be honest.

In this raw and at times heartbreaking account, Bobby Brown tells the truth of his life. *Every Little Step* is the story of a kid growing up in the projects of Boston, always on the move and always looking for an audience. Brown reveals what really happened when he left New Edition to launch his solo career and shares tales of his relationships with some of the most prominent pop divas in the world, including intimate moments in his marriage to Whitney Houston that describe the purity of their love and the devastation he felt as it crumbled over drug abuse, infidelities, and the negative influence of outsiders. Most poignantly, he finally speaks about losing his beloved daughter, Bobbi Kristina, and the terrible aftermath of her death.

Through it all, Brown shows himself to be a family man, devoted to his children and his wife; a man who cared for both of his parents right up until their deaths; and a man who can admit where he faltered, but had the strength to stand up again.

About the Author

Bobby Brown is a singer, songwriter, dancer, producer, and actor. He lives in Los Angeles, California, with his wife and children.

Denene Millner and Nick Chiles live in South Orange, New Jersey. She is a reporter for the *New York Daily News*; he is an awardwinning journalist who has worked for the *Dallas Morning News*, *New York Newsday*, and the *Newark Star-Ledger*.

Users Review

From reader reviews:

Michael Battle:

This *Every Little Step: My Story* usually are reliable for you who want to be considered a successful person, why. The reason why of this *Every Little Step: My Story* can be on the list of great books you must have is usually giving you more than just simple reading through food but feed you with information that possibly

will shock your prior knowledge. This book is handy, you can bring it almost everywhere and whenever your conditions throughout the e-book and printed types. Beside that this Every Little Step: My Story giving you an enormous of experience like rich vocabulary, giving you trial run of critical thinking that we know it useful in your day action. So , let's have it appreciate reading.

Jeremy Richards:

This Every Little Step: My Story is great e-book for you because the content and that is full of information for you who have always deal with world and possess to make decision every minute. That book reveal it information accurately using great coordinate word or we can declare no rambling sentences inside. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but difficult core information with wonderful delivering sentences. Having Every Little Step: My Story in your hand like keeping the world in your arm, details in it is not ridiculous just one. We can say that no book that offer you world with ten or fifteen moment right but this guide already do that. So , this really is good reading book. Heya Mr. and Mrs. hectic do you still doubt which?

Karen Bright:

In this particular era which is the greater man or woman or who has ability to do something more are more treasured than other. Do you want to become considered one of it? It is just simple way to have that. What you have to do is just spending your time not much but quite enough to enjoy a look at some books. Among the books in the top record in your reading list is definitely Every Little Step: My Story. This book which is qualified as The Hungry Inclines can get you closer in turning out to be precious person. By looking way up and review this e-book you can get many advantages.

Sherry Francis:

As a scholar exactly feel bored for you to reading. If their teacher expected them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's internal or real their pastime. They just do what the educator want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Every Little Step: My Story can make you truly feel more interested to read.
