Firewalker (The Worldwalker Trilogy) By Josephine Angelini

I'm a Witch and Witches burn.

Lily is back in her own universe, and she's ready to relax with Rowan. True, she almost died in the Pyre that fueled their escape, and must hide her magic for the safety of the world, but compared to fighting the monstrous Woven and leading armies in the alternate Salem, life is looking good.

You think I'm a monster, but my choices, as ruthless as they seem, are justified.

Unfortunately, Lillian, ruthless ruler of the 13 Cities, is not willing to let Lily go that easily. If she can't persuade Lily to return to her world, she'll have to find a way to *make* her come back.

Picking up right where *Trial By Fire* left off, *Firewalker* is another sexy, fast-paced, heartbreaking thrill ride from internationally bestselling author Josephine Angelini!

Editorial Review

From School Library Journal

Gr 8 Up—This work picks up right where *Trial by Fire* (Feiwel & Friends, 2014) left off. Lily Proctor has survived the Pyre but is badly burned. She had enough presence of mind to transport herself and Rowan Fall from alternate Salem to her universe so she could heal. While there, characters from the previous volume reappear, including Tristan and Breakfast, along with some newcomers. Lily and Rowan discover they have magic in Lily's world, too, and have to decide if they share the secret of magic. While they are in Lily's world, Lillian, the worldwalking ruler of the 13 Cities, is not content to let Lily go, and she will do what she must to bring her back to alternate Salem because only Lily has the power to save it. Angelini takes readers on a high stakes and fast-paced ride once again. The author blends fantasy, science fiction, mythology, and light romance seamlessly, and this tale will appeal to a broad spectrum of readers. VERDICT A satisfying second series installment that will leave teens anxious for the next title, especially after the cliff-hanger ending.—Stephanie Charlefour, Wixom Public Library, MI

Review

“Lily is a female character that teen girls can find something of themselves in, no matter who they are. Her transformation, great power, and humility are admirable, making her a very likable character. Readers will also like the dreamy male characters that fall at Lily’s feet. Fans of paranormal romance will find a lot to like in this series.” *?VOYA*

“Lily's evolution is thrilling, and readers will eagerly follow her into battle, just like her devoted mechanics. A sequel of surprising depth and drama.” *?Kirkus*
