GO LONG By Joanna Blake

There's a cardinal rule in football that you never break. You don't mess around with another player's girl and you don't touch the coach's daughter. Well, I've never been good at following the rules.

Belinda Carmichael is uptight, prissy and the hottest girl I've ever seen. She's also the head coach's precious baby girl. And she's entirely off limits.

The trouble is, I didn't know who she was when I met her. And she had no idea I was her daddy's newest star player. It was her job to show me around campus, and I showed her a lot more than that. But we fumbled the ball – she never told a soul who got her pregnant.

Not even me, the baby daddy.

As the quarterback I'm not supposed to date the coach's daughter. I'm definitely not supposed to knock her up. Well, too bad. I don't just want to date her. I don't just want her in my bed. I want to score the ultimate, game-winning touchdown.

Her heart.

Go Long has a guaranteed HEA and no cheating!

Editorial Review

Users Review

From reader reviews:

Billy Reynolds:

Do you have favorite book? For those who have, what is your favorite's book? Reserve is very important thing for us to be aware of everything in the world. Each e-book has different aim or goal; it means that guide has different type. Some people experience enjoy to spend their time to read a book. They can be reading whatever they take because their hobby is reading a book. Why not the person who don't like studying a book? Sometime, particular person feel need book if they found difficult problem or exercise. Well, probably you will need this GO LONG.

Kevin Santiago:

In this era globalization it is important to someone to receive information. The information will make professionals understand the condition of the world. The fitness of the world makes the information much easier to share. You can find a lot of personal references to get information example: internet, newspaper, book, and soon. You can see that now, a lot of publisher that print many kinds of book. The particular book that recommended to you is GO LONG this guide consist a lot of the information of the condition of this world now. This kind of book was represented just how can the world has grown up. The terminology styles that writer value to explain it is easy to understand. The writer made some investigation when he makes this book. Honestly, that is why this book suited all of you.

Stephen Phelps:

Do you like reading a reserve? Confuse to looking for your selected book? Or your book had been rare? Why so many problem for the book? But almost any people feel that they enjoy with regard to reading. Some people likes reading, not only science book and also novel and GO LONG or others sources were given expertise for you. After you know how the truly amazing a book, you feel wish to read more and more. Science guide was created for teacher or even students especially. Those books are helping them to increase their knowledge. In additional case, beside science guide, any other book likes GO LONG to make your spare time a lot more colorful. Many types of book like this.

Brian Rutt:

A lot of book has printed but it differs from the others. You can get it by world wide web on social media. You can choose the most beneficial book for you, science, witty, novel, or whatever by searching from it. It is named of book GO LONG. You can contribute your knowledge by it. Without leaving behind the printed book, it could possibly add your knowledge and make an individual happier to read. It is most critical that,

you must aware about guide. It can bring you from one location to other place.
