Editorial Review

Review

`God of Surprises is one of the great books of spiritual guidance. A lovely, wise and lucid book of deep humanity. Above all, it is a useful book - a book to be used by those who find it hard to forgive themselves: the stumblers and agnostics who hardly dare believe that God is within them.' -- Gerald Priestland `Simply to read God of Surprises is to misuse it and miss much of its value. It is a book to use, working through it and at it again and again.' -- The Baptist Times `God of Surprises is characterised throughout by practical wisdom and humanity, deep thoughts and light touches, and a very sympathetic style of teaching ... This is a book to own and use and work into one's life.' -- The Church Times
