Jade (Shades of Style, Book 2) By Marilyn Griffith

Lily Chau, the happenin', young pattern-maker for Garments of Praise, would love to break onto the stylish New York fashion scene. She has the talent and sass to make it big, but something is holding her back: a devotion to her aging mother. How can Lily pursue her dream if she feels called to stand by her family? Then she meets Doug LaCroix, a missionary on furlough who wants nothing more than to return to the mission field. When the two meet, sparks begin to fly. Soon they are both caught in an intricate web of dreams and obligations, neither knowing if they should follow their dreams or their responsibilities. One thing is for sure: there are no easy answers and no cut-and-dry patterns for matters of the heart. Combining rich, multicultural flavor with the excitement of New York City, Marilyn Griffith delivers another entertaining read in the Shades of Style series.

Editorial Review

From the Back Cover

Having the perfect life isn't all it's cracked up to be. Designer Lily Chau doesn't know if she's finally got it together or if life is starting to unravel. With a successful boyfriend and a great job at up-and-coming fashion house Garments of Praise, it seems she has the perfect pattern for success. But her mother's health is failing, her boyfriend just won't pop the question, and being a pattern maker is a far cry from having a clothing line of her own. Lily is sure her hands are just too full to draw her deepest dreams. Raya and Chenille, Lily's pals at Garments of Praise, offer plenty of advice and sympathy. And Jean, Lily's co-worker and second mom, even goes behind Lily's back to boost her chances of success. When she's chosen for the reality show *The Next Design Diva*, it seems like the chance of a lifetime for Lily. But the mysterious designer chosen to mentor her sends her spinning. He's fresh, fine-and way off limits. Suddenly Lily's life goes from carefully patterned to nothing but a tangle of threads. Praise for the *Shades of Style* series: "The *Shades of Style* series combines multicultural characters with heartache, drama, humor, and romance."-Charisma "Griffith's debut *Shades of Style* series features four women in the fashion industry: Raya, Chenille, Lily, and Jean. The women fight to save their struggling business and learn some important lessons about people, life, and faith."-Library Journal
