## Editorial Review

Review
"Excellent and easy to understand,"

"The recap at the beginning of the chapter is great. Provides a good memory jog of what was read from the 410 book.The use of examples through out the chapter is excellent. This helps get a better understanding of the topic."

From the Author
Dear Readers of MCSA Guide to Installing and Configuring Microsoft Windows Server 2012/R2, Exam 70-410.  This book was written primarily for teacher-led classroom use and you will therefore find that the solutions for the Review Questions and Case Projects at the end of each chapter are not included with the book. If you are using the book for self-study, I would be happy to supply you with the solutions files. Please send me an email explaining that you are using the book self-study and I will forward you the solutions. Thank you for using my book! Check my Amazon Author Page for more books that I have written as well as links to some of my social media sites.

Sincerely,

Greg Tomsho
