Editorial Review

Review

"So convincing a picture of the 18th century that we feel transported ourselves, this first book of a planned trilogy of time-travel adventures is skilled, engrossing and irresistible. The reader, like the protagonists, will find it hard to return to the present." (*Nicolette Jones, The Sunday Times, Children's Book of the Week*)

"A time-slip novel, deftly handled. The year 1763 is beautifully evoked, as is the present day...Hard to imagine it being done better. A real find, leaving you hungry for more." (*Philip Ardagh, The Guardian*)

"The novel abounds with period detail, effortlessly woven into the plot...Tanglewreck, like Gideon the Cutpurse...is partly a satire on our current perception that we all have too little time to change the nature of reality, rather than our own greed and impatience. Neither should be missed." (*Amanda Craig, The Times*)

"The cliff-hanger ending leaves you longing for the next book." (*The Independent, 10 Best Books for ages 8-12*)

"Great fun and a really good adventure..." (*Kate Scarborough, The Guardian*)

"...a thrilling tale of dashing highwaymen and sinister villains. Full of flavour and witty flourishes, this should be a huge summer favourite." (*The Bookseller, Bookseller's Choice*)

"There is much to recommend in this book. The 18th century is vividly and lovingly brought to life...There are many excellent characters (among them a truly repellent villain called The Tar Man), a swift pace and an absorbing plot. It's convincing and exciting and I loved it." (*Publishing News, Bookseller's Choice*)

"Buckley-Archer may very well give J. K. Rowling a run for her money. This wonderfully rich and complex novel, written in lyrical and vivid language, is destined to be a classic. History interweaves with science, social issues in both centuries are thrown in; yet what readers will remember most is a fast-paced plot with a cliff-hanger ending and multi-dimensional characters who continue to inhabit their thoughts long after the book is closed. With appeal for reluctant and advanced readers, this novel is a rare gem." (*School Library Journal, Starred Choice*)

The concluding volume to the trilogy "for kids who love Harry Potter" (*EntertainmentWeekly.com*)

"If you have kids who love *Harry Potter* and are constantly casting about for similar books to read, [*The Time Travelers*] might be just the ticket." (*Entertainment Weekly.com*)

"Buckley-Archer may very well give J. K. Rowling a run for her money. "Buckley-Archer spins a rip-roaring tale replete with the raw details of life in the 18th century...nonstop

action, appealing secondary characters, and healthy dollops of humor, all of which will have readers panting for the sequel." (*Kirkus Reviews*)

"May very well give J. K. Rowling a run for her money." (*School Library Journal*)
