The Sea Queen (The Dark Queens Book 1) By Jovee Winters

Calypso, Queen of the Seas, is mad. Spitting mad. Ghosts of the dead are fouling her waters. She wants this problem fixed, and she wants it fixed now. Rushing off in search of Hades, Lord of the Underworld, to demand answers, she's soon shocked to discover him bound and standing trial before a jury of his peers—for nothing less than murder.

Calypso normally despises the beastly gods, all of them, but there's something about seeing Hades bound as he is that gives her an evilly clever idea. Tired of being a virgin queen, she wishes to shed that boring image once and for all, and no one seems quite as fit for the task as the gorgeous and brooding Hades. Of course, there is the minor problem of murder to deal with, but Calypso is bound and determined to have her way.

And when a dark queen gets an idea, nothing and no one can stand in her way...
