The Seaforth Chronicles Boxed Set (Books 1-3): The Witches of Merribay, The Witch and the Hellhound & The Sea Witch and the Mermaid By B.J. Smash

Books 1-3

The Witches of Merribay:

Living in Maine with her grandmother and eccentric aunts is not how sixteen-year-old Ivy Seaforth expected to spend her summer—but working for a peculiar wealthy man and running errands for a powerful witch who lives in a tree-house wasn't in her plans, either. And her sister, Zinnia...something was different. Zinnia was making mysterious visits to the forest, and that was certainly forbidden. Ivy longed for the days when she and her sister were best friends. Those days now seemed so long ago.

Ivy soon discovers that, along with the witch, the forest is inhabited by a wondrous race of otherworldly and unearthly beautiful beings - the Fae, and a young man of an even fairer race. When her father disappears, Ivy, must help the old witch break an evil curse that is preventing her from finding him. As she discovers her own mysterious past for the first time, she must learn to accept that things are not always as they seem and that magic might just be real.

With this new knowledge and the help of her new friends, will she be able to find her father? Will she be able to save her sister? Or is Zinnia already beyond being saved?

The Witch and the Hellhound:

The adventure of a lifetime for a young woman just discovering the mystical and magical elements of the world that surrounds us all. Ivy Seaforth must journey to lands unknown to find and retrieve a certain book of spells stolen by her foolish sister, Zinnia. Encountering setbacks at every turn, Ivy must leave behind her mentor, the powerful Izadora, and delve deep inside herself for the courage to carry on. With her newfound friends, the handsome Lucian, and Pladia—the

spitfire pixie— she travels to the mist-shrouded island of Hy Brasil. There she meets a great wizard, Maximus, who may be something just a bit grander than she expects.

In a chaotic quest to save those she loves, Ivy meets the light elves, the Seelie Fae, and must contend with the evil deeds of the Unseelie.

She also learns a dark secret about the McCallister clan that can no longer be hidden. Will she be able to accept and live with this secret?

And what about Aunt Cora? Ivy can't help but meddle with her fate and now Cora is acting... quite strange. What will become of her? Will Cora continue to search for her true love...or has she already found him?

The Sea Witch and the Mermaid:

In the third installment of The Seaforth Chronicles, Ivy's sister Zinnia finally has a chance to tell her side of the story. Fulfilling her punishment to live aboard Magella's houseboat for twelve months, Zinnia explains what it is like for her to be the prisoner of the evil sea witch. Stripped of all magic, Zinnia is forced to swim in the ocean depths almost every morning to catch the old witch's breakfast with a half-working magic net. She must cook, clean, and scrub the boat. The worst part of all is Magella expects her to find Jonesby the Jinxer's lair, deep in the ocean, and take back a special item; there she discovers why Jonesby the Jinxer is considered the “stealer of souls.” She meets up with the merpeople, who try to befriend her, and a handsome merman named Eadgar, who seems to have taken a liking to her. But what is it that they really have on their agenda? Enter into Zinnia's world, and take a peek to decide for yourself if she really is the selfish person that she has been portrayed to be—or if she is simply misunderstood.
