Catching Whitney By Amy Hale

My name is Whitney Dawson, and I suck at love. I'm not exaggerating. My relationships don't just end; they die a horrible, agonizing death. With a nasty break up behind me, and my mind made up to avoid relationships like the plague, I try to enjoy a girls' night out with my best friend Lindsey. That's where I meet Aidan. Despite my reservations, I agree to one mind-blowing, amazing, curl your toes night with the hottest guy I've barely met, knowing full well that I'll never see him again. Or so I think... As a teacher with a new school year in full swing, I contact a parent about a new student and end up face to face with Aidan. His son is in my class, and avoiding this widowed dad, and any complicated emotional entanglements falling for him will bring, becomes a test I may very well fail. Should I take the cowardly way out, or give love one more chance?
