**Definitely, Maybe in Love (Definitely Maybe series Book 1)** By Ophelia London

# A new adult novel from Entangled's Embrace imprint...

Definitely, Maybe in Love (Definitely Maybe) by Ophelia London *Her theory of attraction is about to get a new angle* 

Spring Honeycutt wants two things: to ace her sustainable living thesis and to save the environment. Both seem hopelessly unobtainable until her college professor suggests that with a new angle, her paper could be published. Spring swears she'll do whatever it takes to ensure that happens.

"Whatever it takes," however, means forming a partnership with the very hot, very privileged, very conceited Henry Knightly.

Henry is Spring's only hope at publication, but he's also the über-rich son of a land developer and cash-strapped Spring's polar opposite—though she can't help being attracted to the way he pushes her buttons, both politically and physically. Spring finds there's more to Henry than his old money and argyle sweaters...but can she drop the loud-and-proud act long enough to let him in? Suddenly, choosing between what she wants and what she needs puts Spring at odds with everything she believes in.

*Definitely, Maybe in Love* is a modern take on *Pride and Prejudice* that proves true love is worth risking a little pride.
