About the Author

David P. Morrow, who has a degree and background in Physiology, has studied these subjects all his life. He has spent several years in competitive bodybuilding and power lifting. He has served as a personal trainer and fitness instructor to high-profile customers and also as a nutrition and diet consultant. He has devoted over twenty years to studying and testing nutrition, diets, exercise, supplements, sports psychology and overall wellness. It was his personal quest to find the BEST methods related to achieving excellent fitness, energy, great health, and overall wellness. Throughout those years of intense research, he discovered amazing breakthroughs in fitness, and maximizing metabolism. He also discovered why many people have been unable to achieve weight loss and diet goals. He calls these discoveries, 'The Missing Links'. He explains in his book, Fat Into The Fire, these missing links to achieving your goals. He founded the non-profit organization, Americas Personal Trainer in an effort to educate all ages on proper nutrition and fitness. Morrow is also the author of the Fat Into The Fire Journal, and The FIF (Fat Into The Fire) Cookbook For All Seasons. Morrow has also put together Fat Into The Fire workouts on DVD and a Missing Links audio CD.

Users Review

From reader reviews:

Vincent Erickson:

What do you ponder on book? It is just for students since they're still students or it for all people in the world, what best subject for that? Just simply you can be answered for that problem above. Every person has various personality and hobby for each other. Don't to be pressured someone or something that they don't need do that. You must know how great as well as important the book Fat Into the Fire. All type of book can you see on many methods. You can look for the internet sources or other social media.

Trudy Clark:
