Forever Innocent (The Forever Series, Book 1) By Deanna Roy

Book 1 of the USA Today bestselling series

"Our baby died on prom night, and nothing was ever the same again."

Corabelle doesn't feel like any of the other college girls. On what should have been one of the happiest nights of her life, she and her boyfriend Gavin watched a nurse disconnect the ventilator from their seven-day-old baby. During the funeral two days later, Gavin walked out and never returned.

Since then, her life has been a spiral of disasters. The only thing that has helped is her ability to black out whenever the pain gets too hard to bear, a habit that has become an addiction.

When Gavin shows up in her astronomy class four years later, he is hell-bent on getting her back, insisting she forgive him. Corabelle knows she can't resist the touch that fills the empty ache that has haunted her since he left. But if he learns what she has done, if he follows the trail back through her past, her secrets will destroy their love completely. And once again, she'll lose the only person who always believed she was innocent.

A New Adult Contemporary Romance
HEA. 288 print pages

Written with great authenticity and depth, FOREVER INNOCENT is a love story about tragic loss, second chances and the infinite capacity of the human heart to forgive.

John J Asher, author of A DIGNIFIED EXIT

FOREVER INNOCENT is a new adult romance you won't soon forget.
Mimi Strong, author of FOR YOU

From the Author

All five books of this series are now out!

Forever Innocent is an emotional read. Losing a baby and its effect on a relationship isn't something very many people talk about. I hope the book fills you with hope that no matter what trouble life presents you, it can be overcome through forgiveness and love.

Forever Innocent is the first book of Corabelle and Gavin's journey into healing and rediscovery. It was originally written as a standalone and only after early advance readers said they needed more did I realize that there was actually more of their story to tell.

This book was not intended to have a cliffhanger ending -- I really did imagine a soaring soundtrack and ambulance ride into the sunset. I absolutely respect those readers who feel the couple needed more happy time at the end. (I'm sure Corabelle and Gavin would agree!) But the book, like life, is pretty messy.
