Get a Hit, Mo! (Mo Jackson) By David A. Adler

A companion to the Theodor Seuss Geisel Award-winning *Don't Throw It to Mo!*

Mo Jackson is a small boy with a big passion for sports. He may not be the biggest, the fastest, or the strongest kid on the team, but he won't let that stop him from playing!

Baseball season has arrived and Mo is all set to play with his team, the Lions. But Mo *always* bats last, and he *always* plays right field—and no balls ever come to right field. Will Mo ever get his chance to help the Lions win?

From the Hardcover edition.

Editorial Review

From School Library Journal

Gr 1–3—Mo Jackson is a little kid with a big love for baseball. Unfortunately, he is smaller and younger than the rest of the players on his team, the Lions. When Coach Marie assigns the batting order, Mo bats last (usually the spot for the weakest hitter). When she assigns field positions, Mo gets right field (few balls ever go to right field). As the opposing team scores two runs, Mo worries that he will not get a hit. A brown-skinned boy with curly locks that peek out from under his helmet, Mo strikes out his first two times at bat. In the ninth inning with two outs, people are cheering and Coach Marie is shouting. When he turns to hear what she is saying, Mo accidentally hits the ball. The ball then rolls past the pitcher and keeps on rolling, bringing in Mo and the two other players who are on base. In an ending that is neither original nor a surprise, Mo's home run wins the game; even the youngest baseball-playing reader is going to wonder how a slight tap of the bat propelled the ball to roll far enough to bring in three runs. The illustrations are fun with good use of color and perspective, and they depict a multicultural lineup. VERDICT An additional purchase for beginning reader collections.—Jennifer Steib Simmons, Anderson County Library, SC

Reviews for "Get a Hit, Mo!"

"The text is appropriately simple, yet Adler cunningly coaxes emerging readers to use their understanding of narrative conventions and their prediction skills to make savvy inferences. African-American Mo and his multiethnic, mixed-gender, woman-coached team make for a nicely inclusive read." "Kirkus Reviews"
