Language Notes

Text: English, French (translation)

From the Back Cover

Edited and translated by Mercer Cook. Laymen and scholars alike will welcome the publication of this one-volume translation of the major sections of C. A. Diop's two books, *Nations negres et culture* and *Anteriorite des civilisations negres*, which have profoundly influenced thinking about Africa around the world. It was largely because of these works that, at the World Festival of the Arts held in Dakar in 1966, Dr. Diop shared with the late W. E. B. DuBois an award as the writer who had exerted the greatest influence on Negro thought in the 20th century.
