Editorial Review

About the Author

In life we dream of doing many things. For me, writing a book was one of them. I believe that everyone should reach to accomplish their dreams no matter what it takes. It has been said that the measure of a man's success is not how high he has climbed, but how high he bounces when he hits the bottom. Often during the course of self-fulfillment you will reach a point of failure. It takes a truly dedicated person to stay committed and learn from the mistakes they made along the way. Even from failure a person's success can emerge. There are no boundaries to the things you can accomplish.
