### Editorial Review

#### Review

"This is a New Adult billionaire story Milan-style, which means she crafts this story with her personal style of awesomeness and knocks it so far out of the park it's 200 miles away. Seriously, stop reading this review and just go buy the book right now. You can thank me later." --*Fresh Fiction*

"What a fantastic book. I don't know where to even start with the raving. The dialogue is so good that I have to resist the temptation to just quote the whole book." --*Smart Bitches, Trashy Books*

"Even though I absolutely adore everything I've read by Courtney Milan, I had a teeny moment of hesitation about picking up Trade Me. I'm not usually interested in contemporary romance [...] I should never have had a doubt." --*Persephone Magazine*

"This whole story's fantastic. I really enjoyed the dynamics and the passion and, of course, the writing. If you're looking for a great read, pick up Courtney Milan's Trade Me." --*The Book Swarm*

"If I had to choose one word for this story, it would be loving. Both Blake and Tina are very loving people, though her caring nature has been somewhat warped by bitterness and fear. What she and Blake give each other isn't about money, but about moving past their fears."

--*Dear Author*

"I appreciated not only their struggles, but how real she made these people, and how much respect she showed for each of her characters."
