## Traffic Psychology Today From Brand: Springer

After several decades of research, practice, intervention, and instruction, traffic psychology is in need of a summary work outlining the main trends in the discipline.

*Traffic Psychology Today* provides a theoretical basis of the topic, a summary of the acquired research in the field, practical applications for government planners, and a critical discussion of future trends.

Through a series of chapters contributed by an international group of researchers under the general editorship of Pierre Barjonet, *Traffic Psychology Today* comprehensively synthesizes thinking in the psychology of traffic from its inception in the mid 1950s through the present day.
