Breaking Up with Barrett: The English Brothers #1 (The Blueberry Lane Series - The English Brothers) By Katy Regnery

"Katy Regnery is a fresh new voice. I eagerly await every Katy book and I tell everyone I know to read them!" --Carly Phillips, NY Times Bestselling Author

NEW YORK TIMES and USA TODAY bestselling series!

Breaking Up with Barrett is the first of six books about the Philadelphia-based, wildly-handsome English brothers who are all on the look-out for love.

(Except Alex. He's a womanizing manwhore. And maybe Stratton, because he's wicked hot, but super awkward around girls.)

Barrett English, aka "the Shark," is the fair-haired, first-born of the English brothers, and the CEO of the oldest, most prestigious investment banking firm in Philadelphia. He rules the boardroom with an iron fist, refusing to take no for an answer and always getting his way.

Emily Edwards, a first-year doctoral student at the University of Pennsylvania, grew up in the gatehouse on the outskirts of Barrett's childhood estate. The daughter of his family's gardener and housekeeper, she was always looking through the window of privilege, but forced to remember her place at the very periphery of the kingdom.

When business partners suggest that a fiancée might soften Barrett's image over business dinners, he approaches Emily for the "job" of fiancée. And while love wasn't necessarily on Barrett's radar, he begins to realize that Emily always has been. But will his take-no-prisoners boardroom tactics work on the heart of the woman he loves?

From the Author

I have never tried writing a love story that starts when the hero and heroine are children, but I absolutely loved writing Barrett and Emily's story. I love the thought that someone you've - literally - known your entire life could turn out to be the love of your life...after a few obstacles, of course. ;)

About the Author

KATY REGNERY, Amazon best-selling author, has always loved telling a good story, and credits her mother with making funny, heartwarming tales come alive throughout her childhood. A lifelong devotee of all romance writing, from Edwardian to present-day, it was just a matter of time before Katy tried her hand at writing a love story of her own.

As it turned out, one love story turned into a series of six *Heart of Montana* romances, following the love lives of the Yellowstone-based Lindstrom siblings. When Katy's fans asked her to turn up the heat, she wrote the NA/Contemporary hybrid, *Playing for Love at Deep Haven*, which offered steamier romance to her readers. Katy was proud to offer the stand-alone romance, *The Vixen and the Vet*, just in time for Fourth of July, 2014, written as a fundraiser for Operation Mend. Katy's new indie series, *The English Brothers*, offers sexy,

contemporary romance to Katy's readers.

Katy lives in the relative wilds of northern Fairfield County, Connecticut, where her writing room looks out at the woods, and her husband, two young children, and two dogs create just enough cheerful chaos to remind her that the very best love stories of all are the messy and unexpected ones.
