enGendered: God's Gift of Gender Difference in Relationship By Sam A. Andreades

enGendered celebrates the God-given distinctions between a man and a woman. It concludes that the more distinction is embraced, the closer a man and woman become. Thus gender, rightly understood, is a tool for intimacy. Written in a compassionate tone and winsome style, the volume speaks to Christians who want to know what the Bible says about gender differences and why. This theology of gender is also of value for people who struggle with same-sex attraction but want to follow Christ.
