Hidden Darkness, Book 4 of the Hidden Saga By Amy Patrick

The Darkness is Coming...

Ryann and Lad are together and in love but not yet bonded. Wedding plans are underway, but they cannot marry until the mourning period for his father, the murdered king, ends. Waiting is sweet torture and gets harder all the time.

Nox and Vancia are touring the world with his band The Hidden and enjoying their honeymoon. They're also working to convince the holdout tribes in Europe, Asia, and Australia to disband their fan pods and sign the new peace treaty between the Dark and Light Courts. It's the only way to ensure the safety of humans worldwide.

But unbeknownst to any of them, dark forces are still at work. There are some who don't support the treaty—or their new king. And they'll do anything necessary to restore Elven reign over humanity.

When an ambassador from the Dark Court arrives in Altum, Lad expects relations between the formerly antagonistic clans to improve. What he didn't expect is her unique glamour—or her traveling companion.

And Ryann's own glamour gift is warning her... if they can't uncover the hidden truth in time, the much-anticipated royal wedding may never happen.

As the Hidden Saga continues, friendships will be formed and broken, the bonds of love tested, and beautiful and dangerous new glammers revealed.

REVIEWS of HIDDEN DEEP:

"I was immediately drawn to the cool, quiet tranquility of the woods. The details jumped off the page in deep green leaves and cold clear water. Then Lad and Ryann swept me right off my feet... I was glad that I started Hidden Deep on a Friday so that I could read straight through the night into the breaking hours of dawn. It ended way too quickly. I hope the continuation will be out soon. I will be making plans for another Friday night lost in the world of Lad and Ryann." - AJ- Bitten by Books

"I love it when I fall deeper into the story as I move from one chapter to the next. That's what I got here. ... as a whole, this book is a delicious read." Lyn Ching, Side B blog

"I really got into this story, and every time I reached the end of one chapter, I couldn't resist going on to the next one. HIDDEN DEEP is a YA Fantasy novel like no other." Jessica, The Book Bratz YA Book blog
