Les Misérables By Victor Hugo

Close your eyes and let this powerful music transport you to another time and place. Les Misérables has captivated generations, but with this critically acclaimed Broadway soundtrack, a beautiful story becomes an unforgettable experience. Against the backdrop of the French Revolution, the story of escaped convict Jean Valjean and his search for grace and redemption will leave any listener moved by the parallel of God's grace towards us. This dramatic reading of the entire novel along with the dynamic new recordings of five of the most popular songs from the original score will bring this masterpiece of the ages to life once again.

Editorial Review

Review

If you are like me and have wanted to read this Very Important Book but have been scared off by its behemoth size then you are in luck. This version, offered by Barbour Publishing's Shiloh Run Press, is not only condensed but translated especially for today's American reader. However, that does not mean that the book will be an easy read, just easier than previous editions.

Skip the movie and read the book. Its not necessarily an easy read but how many truly wonderful and exceptional things in life are easy? You get what you put into things and Les Miserables pays you back in spades. --Darian Burns *Darian Burns Blog* 2014-01-10

Do you ever come across a book that seems like everyone but you has read? It's received rave reviews and you half-heartedly add it to the to-read list but you don't consider it high priority. You'll get around to it...eventually. Well that's the way I have felt about Les Miserables. And to be honest, when I see the majority going googly-eyed over a book I tend to avoid it as it usually isn't my cup of tea. However when the opportunity presented itself to read this French classic in the form of an abridged edition I jumped at the chance. And I have no regrets. While there was no doubt a good deal that I missed out on I found this modern edition of a timeless story very well done. Very few classics I come across fall under the "page-turner" category but in my own humble opinion Les Misérables was excellent. It reveals the triumphs and fall of mankind and how one decision can set into motion a whole series of incidents that have both positive and negative effects. --J. From reader reviews:

Megan Martelli:

The book Les Miserables can give more knowledge and information about everything you want. So why must we leave the great thing like a book Les Miserables? A few of you have a different opinion about book. But one aim in which book can give many info for us. It is absolutely appropriate. Right now, try to closer using your book. Knowledge or data that you take for that, it is possible to give for each other; you could share all of these. Book Les Miserables has simple shape but the truth is know: it has great and large function for you. You can look the enormous world by start and read a publication. So it is very wonderful.

Robert Bell:

Nowadays reading books are more than want or need but also become a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The info you get based on what kind of e-book you read, if you want send more knowledge just go with training books but if you want sense happy read one having theme for entertaining for example comic or novel. The Les Miserables is kind of reserve which is giving the reader erratic experience.

Roderick Olin:

As a student exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some e-book, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Les Miserables can make you really feel more interested to read.

Robert Russo:

What is your hobby? Have you heard which question when you got pupils? We believe that that issue was given by teacher for their students. Many kinds of hobby, All people has different hobby. And you know that little person such as reading or as reading through become their hobby. You need to know that reading is very important and book as to be the thing. Book is important thing to provide you knowledge, except your own teacher or lecturer. You see good news or update in relation to something by book. Numerous books that can you go onto be your object. One of them is niagra Les Miserables.
