Numbers (Rechy, John) By John Rechy

Book jacket/back: Johnny Rio, a handsome narcissist but no longer a pretty boy, travels to Los Angeles, the site of past sexual conquest and remembered youthful radiance, in a frenzied attempt to recreate his younger self. Johnny has ten precious days to draw the "numbers," the men who will confirm his desirability, and with the hungry focus of a man on borrowed time, he stalks the dark balconies of all-night theaters, the hot sands of gay beaches, and shady glens of city parks, attempting to attract shadowy sex-hunters in an obsessive battle against the passing of his youth.

Users Review

From reader reviews:

Linda Pillar:

In other case, little folks like to read book Numbers (Rechy, John). You can choose the best book if you'd prefer reading a book. Providing we know about how is important the book Numbers (Rechy, John). You can add understanding and of course you can around the world by way of a book. Absolutely right, simply because from book you can understand everything! From your country right up until foreign or abroad you can be known. About simple thing until wonderful thing you are able to know that. In this era, we are able to open a book or maybe searching by internet gadget. It is called e-book. You need to use it when you feel fed up to go to the library. Let's study.

Quentin Ryan:

What do you think about book? It is just for students since they are still students or the item for all people in the world, the actual best subject for that? Simply you can be answered for that problem above. Every person has distinct personality and hobby for every other. Don't to be compelled someone or something that they don't desire do that. You must know how great and also important the book Numbers (Rechy, John). All type of book can you see on many methods. You can look for the internet resources or other social media.

Steve Duran:

This Numbers (Rechy, John) book is not really ordinary book, you have after that it the world is in your hands. The benefit you get by reading this book is information inside this e-book incredible fresh, you will get details which is getting deeper anyone read a lot of information you will get. This specific Numbers (Rechy, John) without we know teach the one who examining it become critical in imagining and analyzing. Don't always be worry Numbers (Rechy, John) can bring when you are and not make your handbag space or bookshelves' grow to be full because you can have it in the lovely laptop even phone. This Numbers (Rechy, John) having fine arrangement in word along with layout, so you will not experience uninterested in reading.

Henry Buford:

What is your hobby? Have you heard that will question when you got scholars? We believe that that question was given by teacher to the students. Many kinds of hobby, All people has different hobby. And also you know that little person such as reading or as examining become their hobby. You need to know that reading is very important and also book as to be the thing. Book is important thing to increase you knowledge, except your current teacher or lecturer. You discover good news or update concerning something by book. Amount types of books that can you decide to try be your object. One of them is this Numbers (Rechy, John).
