Segreto Style By Leslie Sinclair

Develop a palette to complement your home's architecture and design style and give your surroundings a completely new perspective. Beautifully illustrated and over-sized, Segreto Style takes you on a breathtaking tour of thirty-nine exquisite interiors which transcend the style spectrum. The book not only explores how finishes affect a home's overall allure by specifying color information and technique type, but it also serves as a visual reference of the design trends in furnishings, lighting, architecture, flooring and surfaces, complete with their respective sources. Unique, sophisticated and inspiring, Segreto Style will be an invaluable reference guide for years to come.

"Segreto Style is a visual treat! Page after page is pure eye candy, and each image is more luscious than the next. Factor in Leslie's writing style, and it becomes a great, highly informative read." -Joni Webb Cote De Texas

"When one thinks of timeless interiors, the understated elegance of mixing old world charm with modern conveniences, I don't have to look any further than Segreto's books to explain my vision!" Randal Weeks - Aidan Gray Home

Leslie Sinclair, owner of Segreto Finishes and author of the popular weekly design blog Segreto Secrets has written two design books and is currently working on her third. www.segretofinishes.com

It should be here for you. So , don't miss that! Just read this e-book kind for your better life and knowledge.

Laura Thibodeau:

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's soul or real their hobby. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this time,

many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Segreto Style can make you experience more interested to read.
