## **Editorial Review**

### About the Author

William Walker Atkinson was a leading figure in the late 19th Century's New Thought Movement which is the foundation of many of our current New Age beliefs. William Walker Atkinson was a successful lawyer, but the stress and strain of his unenlightened pursuit of wealth and prestige resulted in a complete physical and mental breakdown, and ultimate financial disaster. For Walker, this was merely the darkest hour before the dawn: after discovering and mastering the principles of New Thought, he rebuilt his health and his career on a stronger and more stable foundation than he had ever conceived of before. He also began to write extensively, under several pseudonyms, including Theron Q. Dumont, Yogi Ramacharaka, and he was most likely all three of the Initiates credited with the writing of The Kybalion. It is possible his successful career and conservative credibility as a lawyer inspired him to use all of these various pseudonyms. Many of his books are still very popular today.... true wisdom never goes out of style, and William Walker Atkinson was a true master.

## **Users Review**

### **From reader reviews:**

#### **Stevie Mozingo:**

Book is to be different per grade. Book for children till adult are different content. As you may know that book is very important for us. The book Thought Vibration seemed to be making you to know about other know-how and of course you can take more information. It is quite advantages for you.
