Vlad the Impaler: Son of Dracul By Alan C. Baird

Many will assume this is just another retelling of the "Dracula" horror myth... but Vlad's story is true. Hitler's Holocaust killed approximately 10% of Germany's people, while some estimates claim that Vlad exterminated more than 20% of his fellow Wallachians. A gruesome genre-bender with perverse humor, based on 15th-century history. Warning: graphic transgressive violence.
