When Sparks Fly By Sabrina Jeffries

When an intrepid heiress finds herself away from home for the holidays—in the manor of a dark and handsome baron, no less—romance sizzles in this holiday novella, originally published in *Snowy Night with a Stranger*, from *New York Times* bestselling author Sabrina Jeffries.

Plain, bookish Elinor Bancroft is traveling with her aunt and young cousins to spend the holidays with her father, when a carriage mishap leaves the party stranded at the remote manor of Lord Martin Thorne. Also known as “the Black Baron,” he has no patience for invalids or spoiled heiresses, and children are usually terrified of him. But he gives them refuge during the snowstorm, and to keep the children out of his way Elinor helps them turn the sparse manor into a warm holiday haven for Christmas.

Lord Thorne is none too happy about playing host to four children and two women at his least favorite time of the year. But sparks fly whenever he and Elinor are together, and pretty soon they both realize that Christmas takes on a whole new glow when you share it with the one you love.

Editorial Review

About the Author

Sabrina Jeffries is the *New York Times* and *USA TODAY* bestselling author of several Regency-set historical romance series, including the Royal Brotherhood, the School for Heiresses, the Hellions of Halstead Hall, the Duke's Men, and the Sinful Suitors. Whatever time is not spent writing in a coffee-fueled haze is spent traveling with her husband and adult autistic son or indulging in one of her passions: jigsaw puzzles, chocolate, music, and costume parties. With more than eight million books in print in twenty languages, the North Carolina author never regrets tossing a budding career in academics for the sheer joy of writing fun fiction and hopes that one day a book of hers will end up saving the world. She always dreams big.

Users Review

From reader reviews:

Richard Endsley:

As people who live in often the modest era should be change about what going on or facts even knowledge to make all of them keep up with the era which can be always change and move forward. Some of you maybe will certainly update themselves by looking at books. It is a good choice for you but the problems coming to you actually is you don't know which you should start with.
