A Woman's Worth By Marianne Williamson

With A WOMAN'S WORTH, Marianne Williamson turns her charismatic voice--and the same empowering, spiritually enlightening wisdom that energized her landmark work, A RETURN TO LOVE-- to exploring the crucial role of women in the world today. Drawing deeply and candidly on her own experiences, the author illuminates her thought-provoking positions on such issues as beauty and age, relationships and sex, children and careers, and the reassurance and reassertion of the feminine in a patriarchal society. Cutting across class, race, religion, and gender, A WOMAN'S WORTH speaks powerfully and persuasively to a generation in need of healing, and in search of harmony.

Editorial Review

From Publishers Weekly

Williamson (*A Return to Love*) here tells women that they are goddesses with cosmic functions. A weakness: she often lets women hear what they want to hear--how "special" they are, how beautiful, how close to nature. When she draws from her own experience, Williamson gives sound, empowering advice on relationships, work, love, sex and childrearing. Still, her soft focus on the so-called feminine virtues, including that of assuming the submissive role during sex, often seems reactionary and contradictory, as when she argues that women were meant to be passive, but later claims that woman should assert their power. This mix of the mystical, the modern (Williamson says one of her old boyfriends left her for a "bimbo") and the Christian could be called visionary--but the combination doesn't always make sense, as in this statement: "Our Kingdom is our life and our life is our Kingdom. And we are all meant to rule from a glorious place." Author tour.

From Library Journal

This is essentially a feel-good book, meant to inspire and empower women to take control over their lives and help return the world to the feminine qualities from which it has strayed. As in Williamson's best-selling first book, *A Return to Love* (LJ 1/92), love is the key. Although Williamson's message is admirable--who among us is against the prospect of a world order based on love and understanding with an end to all that is antithetical?--many readers will be put off by the means she posits to that end. Most women do not think in terms of growth from girl to princess to queen to goddess. In addition, her assumption that all women intuitively know what is right is at best optimistic. This work could serve as a starting point for those who have difficulty approaching the concept of feminism. The success of Williamson's first book indicates New Age enthusiasts will be attracted here; anticipate demand where the first was popular. Previewed in *Prepub Alert*, LJ 1/93.

From Kirkus Reviews

"In writing this book I have no purpose other than a creative spill of my own guts," proclaims Williamson at the start of these seven inspirational essays aimed at resurrecting the sacred feminine in today's women. Readers of the author's mega-selling *A Return to Love* (1992) know that her guts spill rather messily, the point of the effluence being not so much to inform through logic and hard data as to transport to new spiritual heights on a torrent of upbeat chit-chat. So, here, readers will find themselves responding--perhaps off the page but most certainly on ("What?" you say. "Me, a priestess?")--to Williamson's exhortations that they put aside the deadening constrictions of patriarchy and "embark on a quest for our own enchantment." Williamson covers issues such as image, sex, gender-biased language, abortion, emotional masochism ("Yuk. How sick. Yet how familiar"), etc., all the while urging her "girls" to release their passions and to realize the "power of our womanly knowingness" as they meditate and pray to both "God" and "the Goddess." (Williamson is, of course, a fervent student of the "channeled" mystical-religious teachings known as *A Course in Miracles*). It's a familiar yet enduringly potent message, delivered in frank, elbows-on-the-table style that's likely to see an extraordinary number of readers sharing the author's thoughts and then chanting, as she does, "We are about to break free. We are about to be born. We have seen the shining. We have seen. We have seen." -- *Copyright ©1993, Kirkus Associates, LP. All rights reserved.*

Users Review

From reader reviews:

Jocelyn Welch:

Do you really one of the book lovers? If yes, do you ever feeling doubt while you are in the book store? Attempt to pick one book that you find out the inside because don't evaluate book by its handle may doesn't work here is difficult job because you are afraid that the inside maybe not seeing that fantastic as in the outside seem likes. Maybe you answer can be A Woman's Worth why because the great cover that make you consider concerning the content will not disappoint an individual. The inside or content will be fantastic as the outside or cover. Your reading sixth sense will directly guide you to pick up this book.

Nancy Gump:

It is possible to spend your free time to see this book this e-book. This A Woman's Worth is simple to develop you can read it in the park your car, in the beach, train as well as soon. If you did not include much space to bring often the printed book, you can buy typically the e-book. It is make you easier to read it. You can save the book in your smart phone. Therefore there are a lot of benefits that you will get when one buys this book.

Barbara Watson:

A lot of guide has printed but it differs. You can get it by online on social media. You can choose the very best book for you, science, amusing, novel, or whatever by simply searching from it. It is named of book A Woman's Worth. You can contribute your knowledge by it. Without leaving the printed book, it could possibly add your knowledge and make an individual happier to read. It is most significant that, you must aware about reserve. It can bring you from one destination for a other place.
