About the Author

Michelle M. Fernandez

Michelle M. Fernandez is a mobile game developer and cofounder of MobiDojo (http://www.mobidojo.com). She is also a mentor to aspiring artists and programmers trying to break into the game industry. After experimenting with several game engines over the years, she was introduced to Corona SDK in late 2010 and has been an avid user of the program ever since. She enjoys creating tutorials and new game frameworks for others to learn from. When Michelle is not developing games, she is spending time with friends and family, playing video games, traveling, and constantly learning new design paradigms.
