Cracking Iit-Jee By Subhash Jain

Every year, the crème de la crème of Indian students appear in JEE of the IITs to qualify for admission to what is considered the Mecca of technical education in India.. Years of meticulous training coupled with mental preparation needs to be timed to deliver the peak performance at the right moment.

The years of competitive examinations have given birth to efficient technocrats, both men and women, who believe that, “if one advances confidently in the direction of ones dreams, and endeavors to live the life, that he/she has imagined, he/she will definitely achieve success in it. If a person aspires for the highest position, it is not disgraceful to stop at the second, or even the third place.”

This book has been written keeping in mind the void, that exists regarding the tools needed to achieve proper study skills to get success in IIT-JEE. The main objective of the book is to provide practical techniques, so as to help aspirants encash on the opportunity of education at IIT-JEE. The comprehensive and updated information about the examination will help him embark on the path of achievement and conse-quentially a successful career.
