Cuckolded in Space By Victoria Kasari

They demanded my wife get pregnant...by any means necessary!

I was prepared to do anything to get myself and my gorgeous blonde wife off the overcrowded Earth and to the colony on Mars--even lie about the fact I was infertile. But when my lies were uncovered, we were told we'd have to return home...or agree to my wife getting pregnant by another man.

And not just any man. Leon, the muscled black hunk she'd been flirting with. He'd take her hard, without protection...and right in front of me. He'd give her the children I couldn't...and I could do was watch.
