Death, the Devil, and the Goldfish By Andrew Buckley

From the Bahamas to Heathrow airport, to the rain soaked streets of London the dead have ceased dying.

This is inconvenient for a number of reasons but what's the real reason behind the chaos?

In London we find Nigel Reinhardt, a disgraced, confused, and gifted London police constable who owns a prophetic goldfish. In Ireland the Angel of Death questions the value and position of his current employment. At Majestic Technologies Celina McMannis works diligently on a top secret project. At the South Pole there lives a very unhappy penguin.

When the Devil hatches a nefarious plot to take over the world by possessing a cute little kitty and seizing a factory of robotic Christmas elves it's up to Nigel and his group of unlikely companions to save the world or die trying... or both.
