The Idea of You: A Novel By Robinne Lee

"Captures what fame looks like, and how it affects us all...a fun, juicy love story!"--Elizabeth Banks

Solène Marchand, the thirty-nine-year-old owner of an art gallery in Los Angeles, is reluctant to take her daughter, Isabelle, to meet her favorite boy band. But since her divorce, she's more eager than ever to be close to Isabelle. The last thing Solène expects is to make a connection with one of the members of the world-famous August Moon. But Hayes Campbell is clever, winning, confident, and posh, and the attraction is immediate. That he is all of twenty years old further complicates things.

What begins as a series of clandestine trysts quickly evolves into a passionate and genuine relationship. It is a journey that spans continents as Solène and Hayes navigate each other's worlds: from stadium tours to international art fairs to secluded hideaways in Paris and Miami. For Solène, it is a reclaiming of self, as well as a rediscovery of happiness and love. When Solène and Hayes' romance becomes a viral sensation, and both she and her daughter become the target of rabid fans and an insatiable media, Solène must face how her romantic life has impacted the lives of those she cares about most.

Editorial Review

Review

"Lee starts the story off with a somewhat outrageous scenario: The 39-year old mother of a teenage-boy-band-obsessed daughter and the 20-year-old boy band member enter into a relationship. She makes the readers believe that not only could it be possible, but it exists and is true and real." --RT Book Reviews

"Actress Lee, who appeared in *Fifty Shades Darker*, debuts with a beautifully written novel that explores sex, love, romance, and fantasy in moving, insightful ways while also examining a woman's struggle with aging and sexism, with a nod at the tension between celebrity and privacy. A fascinating, thought-provoking, genre-bending romantic read." - *Kirkus Reviews*

"This sexy and bittersweet debut by actress-turned-author Lee zeros in on Solene's struggle as she is torn between her desire for Hayes and her need to live a normal life." - *Booklist*

"An OMG page-turner that literally sucks you in from page one to the last few words. I found myself yearning for more, needing, really, to know what happens next...it's that good." - Gabrielle Union

"Captures what fame looks like, and how it affects us all...a fun, juicy love story!" - Elizabeth Banks

"An honest and elegant book about modern love in the age of uber-celebrity and social media." - Hill Harper
