Editorial Review

Amazon.com Review

From acclaimed Japanese writer/artists Masamune Shirow, the creator of Appleseed, Orion, and Dominion: Tank Police comes a new dystopian tale of tough-talking cyborgs, political intrigues, and the kind of actions best left covert! The beautiful and deadly Major Kusanagi and her crack team of internal operatives are sent to investigate a government factory with questionable labor practices. As it turns out, their labor practices aren't the only thing to be questioned when the major and her team are met by a most unwelcoming welcome wagon!
