**Forbidden Fertile Fixation**

Mike has been obsessed with **fertile females** ever since his wife, Karen, was first pregnant by her ex-boyfriend. The **fuller, milky breasts; the big, baby-filled belly... not to mention the hotter lovin'** -- of which Mike didn't get to indulge in for very long.

Now that Karen's bundle of joy, Sammy, is \*18\* and **all grown up**, Mike can't help but notice how *pure and wholesome* she is. When a co-worker claims to have read something about a "pregnant innocent", it plants a seed in his head, and he decides to go on a mission to **plant his own...**

**Speed Hump Baby Bump**

**Sweet, innocent** Alexis is newly 18, but the woman who raised her doesn't treat her as such. The control the lady of the house holds over Alex -- and the "forbidden man" in her life -- knows no bounds. **But not even his wife's tyrannical rule can stop the man of the house from getting the pussy he wants most.**

On a *very* bumpy ride to a mall far away, he hatches a clever plan to **bury his cock** in secret as his wife's pickup bumbles along, \*his fertile girl\* **riding on his lap** in more ways than one. **Every hump, every bump** helps to stir their **illicit passion**, but this is one hookup that isn't ending without the input of their oppressive driver, who insists the man of the house **fill sweet Alex** with *a baby to call their own*.

## **SEED ME**

Most 18-year-old girls have their minds set on college -- not **conception**. But for as long as she can remember, young Gaby has wanted **a baby to call her own**. Problem is, most guys her age are actively avoiding any "accidents", when all poor Gaby wants is to be taken ***hard, fast and bareback***.

If only there was someone MUCH OLDER to be there to provide for her baby... **and provide the baby**. Fortunately for Gaby, she won't end up having to look very far... *not even beyond the bounds of her very own roof!*

(previously titled *You Getting Me Pregnant Is a Gift*)

**WARNING: This super steamy three-book anthology contains explicit depictions of intense, taboo baby-making between young, fertile minxes and their \*forbidden men\*. Characters are consenting adults (18+) whom share a non-blood relationship which may be considered "offensive" to some readers.**
