Save Rafe! (Middle School) By James Patterson

In the fifth installment of the mega-bestselling Middle School series, Rafe is forced to prove himself in an outdoor survival camp or else stay back a grade!

James Patterson's hilarious story of perseverance and courage shows everyone's favorite troublemaker, Rafe Khatchadorian, the star of the Middle School series, learning to become a leader at long last.

After a rough summer, Rafe is heading back to the dreaded Hills Village Middle School, the site of the very worst years of his life. And as if that's not bad enough, he's learned that he's going to be held back a year unless he can prove himself on an outdoor survival excursion complete with dangerous white-water rafting, dizzying rock climbing, and fanatical counselors. Rafe and the rest of the pack of delinquent trainees are forced to cooperate as they prepare for the final test: a solo excursion in the deep woods. Can Rafe come out of the experience in one piece? And if he does, will he go home as the same insecure kid?"

Editorial Review

From School Library Journal

Gr 3–7—After learning that his art academy is closing, Rafe Khatchadorian learns that he will be headed back to the dreaded Hills Village Middle School in the fall. But first he has to survive The Program, an intensive one-week adventure for behaviorally challenged students. No problem, right? Rafe quickly realizes that running white water rapids, climbing a cliff, building fires, cooking in the wilderness, living through wild storms in a collapsing shelter, and wrangling crazy teammates may just be his biggest challenge yet. But Rafe is determined that this time he won't let his mother down. So, with some newfound determination and a lot of humor, Rafe conquers (or at least survives) one challenge after another. Narrator Bryan Kennedy does a nice job, providing a unique, recognizable voice for each character. He is even able to adeptly share the comic strip action scattered throughout the book with the audio audience. The pacing is also well done with the speed matching the tone of the story. This work will appeal to fans of the series as well as new fans of Rafe.—Deanna Romriell, Salt Lake City Public Library

About the Author

James Patterson has had more *New York Times* bestsellers than any other writer, ever, according to *Guinness World Records*. Since his first novel won the Edgar Award in 1977 James Patterson's books have sold more than 300 million copies. He is the author of the Alex Cross novels, the most popular detective series of the past twenty-five years, including *Kiss the Girls* and *Along Came a Spider*. He writes full-time and lives in Florida with his family.

Users Review

From reader reviews:

Martina White:
