The End (A Series of Unfortunate Events) By Lemony Snicket

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on...The End is the last in A Series of Unfortunate Events, and even if you braved the previous twelve volumes, you probably can't stand such unpleasantries as a fearsome storm, a suspicious beverage, a herd of wild sheep, an enormous bird cage, and a truly haunting secret about the Baudelaire parents. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

Editorial Review

About the Author

Lemony Snicket has spent several eras researching the travails of the Baudelaire orphans. During his spare time, he gathers evidence and is considered something of an expert by leading authorities. Lemony Snicket published his first book in 1999 and has not had a good night's sleep since. To his horror and dismay, he has no wife or children, only enemies, associates, and the occasional loyal manservant. Lemony Snicket's extended family, if they were alive, would describe him as a distinguished scholar, an amateur connoisseur, and an outright gentleman.

Users Review

From reader reviews:

Charles Lemaster:

Often the book *The End (A Series of Unfortunate Events)* has a lot associated with on it. So when you make sure to read this book you can get a lot of help.
