The Soft Machine By William S. Burroughs

In Naked Lunch, William S. Burroughs revealed his genius. In The Soft Machine he begins an adventure that will take us even further into the dark recesses of his imagination, a region where nothing is sacred, nothing taboo. Continuing his ferocious verbal assault on hatred, hype, poverty, war, bureaucracy, and addiction in all its forms, Burroughs gives us a surreal space odyssey through the wounded galaxies in a book only he could create.

Editorial Review

Review

"The Soft Machine" has its background in the underwater cities of Flash Gordon serials, broken-down towns in South America, faded photos and 1920s films in seedy movie houses. Essential reading.' Observer '[Burroughs'] great fictions [show] his superb, hard-edged satirical visions of cancerous and addictive consumerism; his elegiac and poetic invocations of sadness and dislocation; his enormous fertility of ideas and imagery.' Will Self, Guardian 'What Burroughs has tried to do, here as in other books, is to blend the reality of an addict's experience with his fantasies, and to create from this mixture a world compounded of myth and science fiction in which freedom and order are eternally opposed. Out of the dirt, the excrement, the couplings, Burroughs makes a disgusting, exciting poetry.' Sunday Times

About the Author

William Burroughs was born in St Louis, Missouri in 1914. Immensely influential among the Beat writers of the 1950s -- notably Jack Kerouac and Allen Ginsberg -- he already had an underground reputation before the appearance of his first important book, 'Naked Lunch'. William Burroughs died in 1997.

Users Review

From reader reviews:

Jack Lau:

What do you with regards to book? It is not important together with you? Or just adding material when you really need something to explain what the one you have problem? How about your time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Everyone has many questions above. They should answer that question since just their can do that will. It said that about e-book. Book is familiar in each person. Yes, it is appropriate. Because start from on pre-school until university need this The Soft Machine to read.

Johnny Powers:

The e-book untitled The Soft Machine is the reserve that recommended to you to see. You can see the quality of the publication content that will be shown to an individual. The language that author use to explained their way of doing something is easily to understand. The article writer was did a lot of investigation when write the book, to ensure the information that they share to your account is absolutely accurate. You also could get the e-book of The Soft Machine from the publisher to make you more enjoy free time.

Joseph Navarro:

Beside this specific The Soft Machine in your phone, it might give you a way to get more close to the new knowledge or info. The information and the knowledge you are going to got here is fresh through the oven so don't be worry if you feel like an aged people live in narrow commune. It is good thing to have The Soft

Machine because this book offers to your account readable information. Do you often have book but you rarely get what it's about. Oh come on, that would not happen if you have this inside your hand. The Enjoyable set up here cannot be questionable, just like treasuring beautiful island. Use you still want to miss the idea? Find this book as well as read it from at this point!

Colleen Harman:

That book can make you to feel relax. That book The Soft Machine was colorful and of course has pictures on there. As we know that book The Soft Machine has many kinds or variety. Start from kids until young adults. For example Naruto or Private eye Conan you can read and think that you are the character on there. So , not at all of book are make you bored, any it offers up you feel happy, fun and rest. Try to choose the best book for yourself and try to like reading in which.
