### The Unofficial Airbus A320 Series Manual (color) By Mike Ray

Airbus professional pilots and veteran flight simmers alike will find Captain Mike Ray's book a veritable treasure trove of information about the Airbus A320 Series of airplanes. Written specifically for the Airline Pilot who is preparing for his simulator check-ride and oral exam, it is written in an entertaining and informative style that makes learning about this complex machine almost easy. Readers will find Captain Mike's writing style to be unique, and even the most unfamiliar will be able to grasp the material and understand the systems. He treats the technical details in a definitive and complete manner, yet allows the flow of the information to control the pacing of the text. Very readable. This is another great book in his series on flying airliner checkrides.
