Who Is Bob_34?: Investigating Child Cyberpornography By Francis Fortin, Patrice Corriveau

Who Is Bob_34? sheds light on the clandestine world of online child pornography and pedophilia. What exactly do we know about these crimes? Who produces child cyberpornography? Who distributes it? Who consumes it? And how do they meet? Can we use profiling to identify pedophiles online? By surveying the scholarship on the topic and obtaining original empirical data through their infiltration of child-porn user groups, Francis Fortin and Patrice Corriveau address these questions and more, opening a window on a contemporary phenomenon that is much more complex than media accounts and commissioned reports suggest.

Editorial Review

Review

"A must-read for all parents."?citeboomers.com

"Cyberpedophilia elicits a lot of questions, namely, how can we better protect our kids? Without succumbing to sensationalism, this informative book empowers its readers to help protect kids, by equipping them with a better understanding of this new reality."?La Sentinelle

Review

"The authors move beyond the repulsion one could legitimately feel toward child pornographers to understand who the individuals are who produce, collect, and exchange child pornography online; how this type of illegal content is found on the Internet; how the Internet facilitated the emergence of a global support community for child-porn consumers; and what features characterize different types of offenders."?Benoit Dupont, Canada Research Chair in Security, Identity, and Technology

"Who Is Bob_34? provides a valuable profile of pedophiles who use the Internet to look at, exchange, and collect images of child pornography."?Tara Collins, assistant professor, School of Child and Youth Care, Ryerson University

"Cyberpedophilia is a topic of widespread concern, yet there are still very few empirical studies of child exploitation online. In this book, Fortin and Corriveau provide evidence-based analysis of the access, production, collection, and sharing of child-porn online. It's a unique and informative book, written in a clear and accessible way."?Martin Bouchard, coauthor of *Illegal Markets and the Economics of Organized Crime*

About the Author

Francis Fortin has worked in the field of criminal investigations and intelligence since 1999. He is assistant professor at the School of Criminology at the Université de Montréal. Prior to becoming an associate professor in the Department of Criminology at the University of Ottawa, **Patrice Corriveau** worked as a senior policy analyst at Justice Canada.

Users Review
