A Gift of Poison (The Kingmakers' War Book 1) By Kate Avery Ellison

Intrigue. Romance. Dragons. A must-read for fans of Throne of Glass and Game of Thrones!

As the orphaned niece of a cruel lord, Briand is the scapegoat of the castle. She has few friends and even fewer options, and every day is a struggle to stay ahead of trouble caused by malicious guards and irritable castle servants. And then there is Kael, the handsome steward, who has reluctantly vouched for her to her uncle. She promises him that she won't cause any more trouble.

Then, she's framed by the guards.

Briand is set to be banished to the wildlands, a death sentence, when she impulsively drinks a potion to save her beloved cousin and unlocks a hidden power in her blood.

The power to command dragons

Imprisoned in the company of a band of rebels, Briand must do what seems impossible: call up sleeping dragons in the north. But the usurper prince's Seekers are looking for her now that she has powers. Briand doesn't know if she can trust the mysterious, enigmatic Kael, but she doesn't have much of a choice.

Oh, and there might be a traitor in the rebels' midst.
