Baby, I'm Yours (Life, Love And Babies Book 2) By Samantha Chase

One Hot Night. Two Fake Names. Three Years Later.

Nicole Taylor thought she was merely hosting a pre-wedding dinner for her best friend. What she ended up with was a face to face encounter with the man she shared her one and only wild night with three years earlier-and her world turned upside down. Now she has to introduce him to the daughter he doesn't know he has and find out if she can trust in the hope of a family for her little girl.

Josh Masterson has no idea why he lied that night three years ago. Nicole was everything he ever wanted in a woman and he has been regretting his decision ever since. Now he has the perfect opportunity to make up for it. He had no idea that he has fathered a little girl with Nicole, but now that he does, he isn't going to just walk away. He made a mistake all those years ago and now he is determined to show Nicole there really is such a thing as **love at first sight and happily ever after**.

A sweet and tender contemporary romance perfect for fans of Susan Mallery, Bella Andre, and Marie Force
